

EC3 Global Training & Capacity Programs

EC3 Global is an international tourism & environmental management company founded by the Sustainable Tourism Cooperative Research Centre (STCRC), the world's largest dedicated research centre specialising in sustainable tourism. Globally focussed, EC3 delivers measurable outcomes to its clients in over 70 countries, meeting and exceeding their needs for real solutions to business challenges, including rising costs, regulatory compliance and customer and supplier expectations.

EC3 have developed a range of training programs and capacity building services to meet the needs of our clients and partners underpinned by the EarthCheck science.
